**Promotion Commitment Form**

*Growers, shippers and brokers are encouraged to donate 1/2¢ per 50 pound equivalent grown, shipped, processed, or sold.*

*NOA's promotion program focuses on educating and informing the public about the domestic onion crop. From health and nutrition to recipes, the association has two main goals: 1) increase onion usage and consumption in consumer and foodservice markets nationwide, and 2) achieve the largest impact/publicity for the least amount of money. Funds received determine the number and caliber of projects completed each year.*
